

Akayla Ann Cuthbertson

September 16, 1997 - April 2, 2021

Akayla Ann Cuthbertson (Dorris) was born 09/16/1997 and was taken from us too soon. On 04/02/2021 she went home and is now in the arms of Heavenly Father.

Akayla was the most loving, caring soul you could meet. When she walked into the room, you would first notice that smile. That smile made everyone just feel like she cared for you, that she was a friend. She was always there for friend or stranger. She loved making people happy. She found her purpose while working at Mohave Mental Health. She was just finishing up studies at MCC and was going to start Medical school next July to become a Psychiatrist.

She was also a very talented baker and cake designer. She had just started her side business and was off to a great start.

Akayla is going to be greatly missed by her parents, husband and many friends.

Akayla is survived by her parents, Chuck & Peggy Dorris, husband Jason Cuthbertson, Ed & Carole McLaughlin, Grandma Sylvia, and many Aunts, Uncles, and Cousins.

“ I met Akayla when she and Darlea first came to Alaska on their big adventure!! We played game games on Monday nights and i became their surrogate mom! I met Chuck and Peggy when they came up for a visit and instantly felt like one of the family!! There's not enough space to write all the great things about Akayla that i came to love. Having just lost a daughter myself in Feb, i understand too well the pain, sorrow and glory of God her parents feel at her sudden loss plus her dear loved ones in the car with her that also perished, my heart goes out to all of you!! And Jason, how that woman lit up when she first met you was so cute!! She loved you so much. I will miss the bakery goods posted on facebook i begged to have some mailed to Alaska!! I'm so sorry for our loss of a true Earth Angel, happy though to know shes a guardian watchin over us. Prayers peace and much love and hugs to you all!! Families are ETERNAL and so are our relationships. May the Lord bless you with His love, watchful care, tender mercies and arms of Redemption!! 🌹🌹🌹🌹🙏🙏🙏🙏💔💔💔💔💔💔love, Nina Jo Jensen

“ Akayla and I first met at MMHC and immediately had a connection. Of course yes that smile and kind heart was first 2 things I noticed. Even after I left that employment, we kept in constant contact and she was actually on the phone with me day before accident... ready to learn meditation and yoga... in exchange for gluten free zucchini bread ❤️❤️
This is not a good bye my sweet friend but until we meet again...
