

April Ann Cox

April 1, 1946 - December 10, 2025

April (Mims) Cox, born April 1, 1946, in Tucson, Arizona, passed from this life and into heaven on December 10, 2025.

April grew up in Tucson, Arizona and met the love of her life, Jim Cox in July of 1964, at Davis-Monthan Air Force Base. They were married for 61 years, and after moving to San Antonio, TX, raised 3 children-Jimmy, Chris (Becky) and Stephanie (Randy) who love her deeply.

The delight of her heart is her grandchildren - Stephen (April), Rebecca (Paul), Megan (Kasey), Courtney (Ed) and Ashley (Kenny), and her 8 great-grands - Adylan, Charity, Amelia, Sophie, Promise, Wesley, Benn and Leon. Each one added joy to her life in a way only grandkids can. April is preceded in death by her oldest son Jimmy, whom she is joyfully reunited with now in heaven.

April loved and served her Lord and Savior with all of her heart and was a counselor and spiritual mentor to many women throughout her life. She served on the board of Women's Aglow in both San Antonio, TX and Kingman, AZ. She was the Area Prayer Coordinator for Bridgebuilders International and Ladies pastor at Abundant Life Church. April worked at the KAAP Domestic Violence Shelter in Kingman for ten years, where she helped lead women and their children to safety and self-reliance. April was well

known for her "list" of friends and family whom she faithfully prayed for every single day.

April was the definition of compassion, grace, love and beauty. She was adored by her family and loved by all who had the blessing of knowing her. She never judged a person by their outward appearance but saw the gold in everyone and desired to see them live the life only God could give them. She will be deeply missed, lovingly remembered and always close to our hearts until we are reunited with her once again.

There will be a celebration of April's life on January 17th at 2 PM at Abundant Life Church, 1212 Stockton Hill Rd. Kingman, Arizona.

“ *It's with great sorrow I just learned of April's passing but know she left this town and it's occupants better than she found them. My deepest condolences Jimmy. That's quite a wife you picked.*

I've known Jimmy and family since the 1940's I guess - loved them; watched them drum over the years but I met April while visiting their church a few times and instantly loved her. How could you not. Her beautiful smile - her soft, kind ways. I'll never forget the kind words she said to me during a personal crisis. Greatly appreciated and helped me immensely.

*Jimmy, love and best wishes. You and family will be in my prayers.

“ April and her family have been a precious part of our family for several years. April and I had a prayer group in my home for about one and a half years.

It was very special to us and the ladies who came each week. She was beautiful inside and out.

Caring and loving. She was a bright light and lit up a room when she walked in. We will miss her so much and we have so many wonderful memories of her in our hearts. Our love for her is everlasting. She will be missed by everyone who knew and loved her. My heart and prayers go out to the family for comfort, love and peace. Hugging each one tight. April, until we meet again with our lord and Savior, Jesus.

“ We were neighbors stationed with our husbands at Lackland AFB, San Antonio, Texas. We were best of friends - always in each others' homes. I'll always cherish the memories of "Progressive Dinners", activities at Chapel 3, our kids playing together. It was the best time of my life. Unfortunately, time and distance kept us from getting together after our families moved to other assignments but the memories remain and the love I had for April, Jim and their kids has not diminished over the years. Rest in Peace my dear friend.

“ I had the pleasure of traveling to Ireland with April (Grammy) to visit her ancestral home and explore the beauty of the country. It is a memory I will always hold dear.
