“ *Hilda Ashworth Logan, I became friends with Beth’s mother when we were grade school students in Manchester, England. We continued our friendship though infrequently due to June living in San Diego and I in Orange County, CA.. I remember Beth when she was a baby and a young girl. Time flies by so fast, RIP, Beth and I know you are at peace with your mother.*

Hilda Ashworth - November 28, 2023 at 07:29 PM
