“ There are people that cross our paths that reinforce the power & grace of God. I often joked about how Bruce was in God's favor & he wore that badge like a proud crash test pilot, testing His Divine limits. Bruce was a funny loving, daring guy with an infectious laugh & charming nuclear spark that still burns bright. It is hard for me to imagine Bruce actually taking his eternal rest laying down. I would like to think he is swapping stories with the rest of heaven's "Dareangels". The Gospel according to Bruce is another message from God, with the greatest message, all things are possible when you have the love & support of a devoted wife, & loving daughter. Dublyn, keep your Dad's light burning bright. Linda, I love you doll.

“ My heart is breaking for Linda and Dublyn. I just cannot believe this is happening. Bruce was the light of Linda's eye. Dublyn and Bruce were so close and loved each other. I was just there in March. We had a great time. I will always remember those memories.

“ Bruce had a great sense of humor. He always knew how to make me laugh. I am grateful for the memories and my trips to Arizona. He took time away from his family on Christmas to be with me in the hospital. Please keep his family in prayer.
