“ You were a great husband and a very good man to your adoring wife Dixie "Hotty" Don. You had such kindness, dignity and a welcoming charm plus a great sense of humor, you were the true package Dixie had. I promise to help your wife navigate and help her through this cruel road called widowhood and grief, this I will do for you as well as her. Ride high on that mountain. “ Don was my first cousin. I barely remember him when I was a little girl. I saw him again at a family reunion in 2018, I believe. We talked and reminisced and had a great time. I am so thankful that I went to that reunion. There are only 6 first cousins left on the Jackson side of the family. Don will truly be missed ❤️

Don is my dad's cousin, born a little over a year apart. I was so happy to meet Don and Dixie at the family reunion in Laughlin - 2018. Don blessed and encouraged me with his positive words and remembrances about my dad and their shenanigans when they were growing up. Don (and Dixie) also reinforced how important it is for generations to come together from time to time and share their stories. I really appreciated their support and words of encouragement. May Don rest in eternal peace and be surrounded by all of our family in heaven 🙏🙏🙏
