

## Dorothy Lee Brown

October 25, 1938 - August 16, 2020

### Dorothy Lee (Hodges) Brown

Born October 25th 1938 in Kingman, AZ and passed quietly away at her home August 16th 2020. Granny is preceded in death by her husband, Richard and oldest son, John. Dorothy leaves behind a legacy in her children Frank (Nora), Clay (Michelle) and Lori with 13 Grandchildren and 32 (and counting) Great Grandchildren, several nieces and nephews, and boat loads of friends and fishermen. Her love and pride of, and for, Kingman and Mohave County was only surpassed by her love of serving others. Over the years, Granny served on several city committees including Parks and Recreation and the Palo Christi development group. She also served on the Kingman Cancer Care unit, was on the board of the Senior Center, was a volunteer at the Mohave County Museum and also served on their board, was both a member and past president of the Daughters of the Mohave County Pioneers. In addition, Granny was very active in her religion and served there in many capacities, she really missed going to church due to all of the closures. Long-term residents of Kingman will remember Granny as a business owner, her first business was an Ice Cream Truck that she and Grandpa owned with her parents. The next business, as many will remember, was the Senior Taco which later, she moved and combined with the Dairy Queen on Stockton Hill Road. Paramount to all that she did, she loved her family, and even with all the grandchildren and great grandchildren she rarely forgot their birthdays, always sending birthday cards and token birthday money. She will be sorely

missed but will live on forever in our hearts and minds. There will be a closed casket viewing Friday August 28th from 5:00 – 7:00 p.m. at Sutton Memorial Funeral Home, followed by a memorial service Saturday August 29th at Recreational Area #1 in the Hualapai Mountains from 12:00 noon to 2:00 p.m. Sorry, no Green Chili Burritos will be served.

“ Dorothy is a very caring, kind, generous friend. My first memory with Dorothy was her trying to teach me how to crochet, when I was 12. I needed to make a pot holder so I could earn my primary award. It's hard to teach a person who has 10 thumbs to crochet, but with her patience and love I finished. She was my Young Women's Leader all through my teenage years. I remember all the trips to Henderson to play church volleyball or softball. The best part of the trip was crossing the Hoover Dam. We would always roll down the windows and whistle at the boys, she would just giggle at us. Then she took us a few times to T P houses. Then the memories of girls camp or the time she took us to Wikiup to pick apricots. She gave me my first real job at Senior Taco. Dorothy loved everyone, knew them by name, and treated them kindly. Whether you needed a hug or a kick in the pants she was there. Her family and testimony were very important to her. Thanks Dorothy for giving me your love and wisdom over the years. Can't wait to see you again. Theone

“ *My thoughts are with her family. Dorothy will always be one of my favorite people and be part of my favorite memories growing up in Kingman. She was always so happy to see all of the kids in her restaurant and we will never forget that she made the best burritos and always had fresh peach drink for us! Love to you all ❤️*

“ *I don't know what happened to my post? it disappeared? I just wanted to tell how much a part of our 30 years in Kingman that Dorothy and her family were to us. so many stake meetings in Henderson and youth activities, building fund raisers, jr rodeos, and on and on. Great memories. Some of our kids worked at Senior Taco...She was a friend to the kids. So many laughs grumbling over the younger generation. I treasure the memories, Have fun Dorothy greeting those that were waiting for you. .... Gordon and Carolyn Stewart and Sandra, Theone, Cindee, Mick, Ladd, (Max and Gloree came later)*
