“ Jan was someone you could talk to you & she always had a funny, encouraging word or story to share. Loved her laugh. She was my matchmaker at General Cable one time & was so proud of herself for bringing Merrill & I together. I am sure they are reuniting in heaven & having a great conversation about life & love. Another memory - Jan was a hard working woman that loved her family dearly! See you later, my friend! ♡

“ I remember when I first met Jan. When she first came to work at American Woodmark. She was so funny. We worked in the same office and we had a desk, the one she sat at, that the drawer on it would just all of a sudden slide open. She'd look at us and get this grin on her face and say “ oh, that's just Stanley”. She was always laughing and cutting up with us. Jan was always so full of life and she loved people. She was always interested in how you were doing and what was going on in your life. Jan was a treasure that comes along rarely. A diamond in her imperfection. There will never be another Jan Ferrin. I will miss you my friend. Rest In Peace.
