Justin Walker Balmorez

March 23, 1997 – June 20, 2026

Justin Walker Balmorez, born in Salinas, CA and resided in Kingman, AZ, sadly departed this world on June 20, 2026, at the young age of 29. He is loved deeply by the people who gave him guidance throughout life and those who watched him develop into the intelligent and loving man that he was. Justin had a passion for drawing and tattooing and a love for UFC fights and discovery documentaries. He had optimistic ideas, plans for his future and hoped to own a business one day. He had a smile and a sense of humor that could brighten up any room he walked into.

Justin left his grandparents (Wayne and Danita Moore), his mother (Rebecca Balmorez), and stepfather (Arthur Garnica), to join his late father (Walker Balmorez) in heaven. He was a compassionate and loving father to his daughter (Lilith Balmorez) and son (Luke Balmorez). He was a playful and protective brother to his siblings Jessica, Seaira, Alyssa, Arty, Jewlia, Richard, Eva, and Esteban and his nephews Carter and Beau. He developed a devoted and unwavering connection with his two older brothers (Justin Cornett and Michael Landsiedel). He was also deeply loved by his Uncle Justin Ramirez; Aunt Jenny, Uncle Beau, and cousins Jakob and James

Emily; and Aunt Kristen, and cousins Jadon, Kira, and Leah.

For all the people he loved and cared about, Justin once said, “We celebrate, we don’t mourn.” He made a significant impact in everyone’s life in his own unique way, and we will all cherish those moments and will miss him deeply.
