“ My wife and I met the Jenkins at Cannon AFB, in New Mexico and become friends. We even visited them after Frank retired and the stop at my home when Frank retired. Lue made us the God Parents of John. She told my wife if anything happened to them we were responsible for all 10 of them. Cathy my wife was surprised to say the least. We kept in touch thru the years. She will be missed and several of their children are friends on my Facebook page. This is Richard Hazelett, I lost my wife last year also.
