October 8, 1939 - January 11, 2023

Manuela was born on October 8th, 1939 in Kingman, Arizona to Luz Lazos and Juan Castillo.

She attended St. Mary's (Elementary and Junior High), then Mohave County Union High School. Post graduation, she attended Business College in Phoenix. She worked in many sectors; a motor company, land surveyor and tax assessor. Lastly, she was offered the Executive Secretary position where she worked for multiple Mohave County Supervisors, until retiring in 2002.

Manuela enjoyed gardening, she loved her roses. She was an avid reader and always said to her kids, "Go read a book!". She so enjoyed visiting with family and friends wherever they may be. She took great pleasure in traveling: the Grand Canyon, Yellowstone, the California coast, Alabama and then more exotic places like Israel, Holland, Germany and Paris, or the best - family vacations to Hawaii!
