“ Oh Mike, where to even begin, as our friendship began many many years ago when I was all of 11 and you were 13 back in Yorba Linda. With me on Torida Way and you on Briarhill and the amazing friendships we shared with Rick, Teresa, Randy, Donny, Tommy, Barry, Larry, and so many more. You have always been my friend, always will be my friend, and I will continue to love you though I am sure you are in Heaven now. Even my Pop still asks about you, time and time again. I will always treasure our long phone calls these past few years, our laughs, and our ridiculous memories of childhood, adulthood and life. It has been an honor to call you friend, and I will miss you and will continue to think of you as I always have. Rest In Peace dear friend, and God Speed dear Mike. Love always Paula

“ My Dear Mike, I am just hearing that you have left us. My heart aches to hear this news. I have known you for what seems like my entire life. I remember the summer I lived with you for a time when you were in the Army stationed in Washington. It wasn't long ago we spoke. I will forever miss our 2 hr long phone calls. You were supposed to show up at my door, but now you are gone. Remember my sweet Mike, we are all connected from our youth. I will miss you, Mike! Hug my mom for me. I love you, Mike, see you soon my friend xoxo May you rest in peace dear friend.

“ Mike, from the first moment I met you, you made me feel like I'd been in your family forever! Your loving hugs, your contagious smile and laughter always warmed my soul. You always cared so deeply for others, and put them first. I will miss you my brother more than you can imagine, I will miss the long talks we shared. Taken away from us too soon. Forever in my heart until we meet again. Love you, Mike! Blair
