“ *Jim and Liberty: Loving thoughts and prayers being sent your way. Asking our Lord to fill your hearts, minds, and time with all the good and wonderful memories of Nicki - her love, her smile, her gentle kindness and remember, she left a lot of special parts of her with each of you! May the Lord also fill you with strength, comfort, and peace in the days ahead! Stop & give each other a big hug - it's from me! Love you both! Mary Lee T.*

“ *Nicky and Jim are great people and always so much fun to have been around. Magnets for friendships! If they were in the room, then the room was brighter. So sorry you lost your partner in crime Jim. She was special and always will be remembered. Rest in peace Nicky. Jonesy*

“ Nicki is my little red-headed sister, different from me in every way. She was the fun one, with an ever ready, Goldie Hawn laugh. When things were really tough for her, and believe me there were too many times to count, she would maintain a positive attitude and say “this is life”. She was a rock for our parents, and for Libby and Jim. She was a bright light in my life. I will miss her everyday, but I’ll remember what Nicki would do and laugh.

“ I had Jim as a patient. I loved seeing Nikki come in to visit. I could sit in that room for hours and talk. Eventually we met up again and went for drinks with my fiancé. It was such a fun time. I’m sure going to miss her beautiful smile.
