“ *In loving memory of a wonderful man who was loved, is missed, and will always be cherished! Dad believed in living life to the fullest & enjoying spending time with close family & friends! I looked forward to our summer camping trips to Kern River every year where some of my best childhood memories were made! growing up in Venice, Dad loved spending time at the beach & working on his tan and swimming in the ocean. I will reflect and cherish all the memories of the best times spent with my Dad ! I will also share all these with Jayden & Jamison and them all about how handsome and funny there grandpa was! “ I am so very sad and have a broken heart that I have lost my Uncle Roger who is also my God Father and now my Angel. I am beyond blessed to have had him in my life, and he took being my God Father seriously as I grew up. I admired and loved everything about him in the truest sense.

To this day my Uncle Roger was the handsomest and funniest man on the planet. He was like a second Dad. He had the best sense of humor and he would tease us kids whenever possible and when we had the chance would tease him back..... then run. hahaha We knew when he thought he did a really good tease or quick smart jokes he would turn to walk away with his crooked smile and laughing as he waved his hand at us, as to swat us away. This was his trade mark. Through the years we copied him doing this and we teased him back at any possible chance we could.

My Uncle Roger loved his boys and us kids. When we all lived in Venice, he was over our house all the time from my earliest memory. We were family. My Mom, Irene Cramer Lortie and my Dad, Moe Cramer Sr. were the best of friends. We did many things together. We went camping, picnics, watching the boys play baseball, go feed the ducks. My personal favorite was summer break he took us kids to the beach when my parents were working and we had Foosball tournaments on the patio. I always tried to beat him. Just when I wanted to give up.... I would win..... or he let me win!!!! XO

On his Birthday's and Christmas when I was a kid, I would work around the house to earn money to buy him little gifts that I was so very proud and happy to give him and see that God Father smile. I love my Uncle beyond words.

My Uncle Roger really accepted and loved my older sister Michelle who was born severely mentally retarded. She loved him too and she got teased too. No one was left out of teasing. He would famously sing to Michelle "MeeShell my Bell ding dong" and he

would laugh and she would say stop it Uncle Roger. Sometimes outside he would try to take off on her bike and she would chase him.

Later in High School I went to work in a Dental Office where I meet a beautiful woman named Shirley, her smile and kindness lights up a room. She was my supervisor and my friend. She was also single. one day I asked her if she would like to meet the most handsomest, kindest, funniest man ever? I said he is my God Father and Uncle. I told her I would bring his picture to work the next day. I showed her the picture and she said WOW and I said I told you! She said yes she was interested. When I got home I called him and told him about her and he said yes I will call her. He called her and set up a date and they have been together ever since..... 40 years of marriage. There eyes always sparkled when they looked at each other always. This is one of my very favorite love stories. My heart is also hurting for my Auntie Shirley. I love her so much. I am so sorry for her loss. I pray for her strength. I pray for the entire family to help everyone endure this loss.

There was no doubt about his love for us **IN THE VERY SPECIAL UNCLE ROGER WAY**. He was a major part of my life. My heart is broken and I **WILL MISS HIM** until we meet again.

I have no doubt that my Uncle is in heaven with his Mother, Meme' and my sister Michelle and all family that greeted him in heaven.

The wisest man I know, My Dad, tells me that Uncle Roger is worth every tear I cry and this comforts me in my grieving, because he is so worth every single tear and heartache. **HE WILL ALWAYS BE WITH ME. I LOVE YOU UNCLE ROGER PEACE BE WITH YOU XOXOXOXOXO**

“ *It is with great sadness in my heart and a smile on my face, that I will always remember Roger as a strong, loving and caring man, who adored my sister Shirley.
His courage and strength was an unbelievable trait, one which I will always respect.
An unforgettable moment was dancing with him at my wedding, which would be very hard to explain, as I could not quite figure out what he was trying to do? Much fun.
RIP Handsome & let the horseshoes fly!
