“ *Ruchelle and I were childhood friends in San Pedro, CA . I was seven years old, and always down at her house playing . We have remained friends all these many years and my heart is broken knowing she is gone! I had just talked to her on the phone, and she sounded so good!*

We wish to send our heartfelt sympathies to all her family , and know that they will be in our thoughts, and Prayers!

I left a tribute to Ruchelle, and am wondering if it is possible for me to see other triubutes to her?
