“ *My heart goes out to The Gunn family with the loss of Sarah. She was an amazing friend and woman. She was a bright light in so many people's life. She always had a smile to share and a hug when one was needed. She was my friend. My first friend I made in Golden Valley. We hit it off from the first. Her and her family became a very important part of my life. I have so many wonderful memories of Sarah. And I know those memories will be with me forever. Goodbye my beautiful friend. You will be forever missed . And never forgotten. Sending my love to her family.*
