

Steven Jay Schuler

December 11, 1957 - December 15, 2019

Steven Jay Schuler, age 62, passed away at his home in Golden Valley, AZ on Sunday, December 15, 2019. He is formerly of Chaska, MN.

Steven was born to Kenneth and Ardis Schuler, December 11, 1957 in Sheldon, Iowa. The oldest of four children, he graduated from Chaska High School in 1976 and attended NEI. He worked as a field technician for Standard Register until chronic health issues rendered him disabled. Steve married Rita Bergmanis in September of 1984 and welcomed five children in their eight-year marriage. He found love again in Georgia Golmen and they lived together many years prior to Steve's move to Arizona. A man of many interests, Steve's most beloved hobbies included guitars, tools, guns and movies/television but nothing greater than cars. He loved his 1966 Pontiac GTO convertible so much that he told his children he'd be buried in it! At the time of his passing, Steven had been sober 22 years.

There are many thoughts and emotions had by those that knew him, those that loved him. May we choose to remember the memories of laughter, family projects, long talks and the challenges overcome. He will be missed and he is at peace.

He is survived by mother, Ardis; daughters Lindsey (Travis) Hagen and Laura (Christian) Schuler; sons Nikolais (Amber) Schuler and Andrew Schuler; grandchildren Wyatt and Cohen Hagen and Harper and Kate Schuler; sisters Dawn (Scott) Engelman and Debbie (David) Bischoff; brother Bradley (Erica) Schuler as well as nieces and nephews.

Steven was preceded in death by his son, Thomas Jay and father, Kenneth. A private service will be held at a later date. In lieu of flowers, sympathies and donations are preferred. If you would like to connect with the family, please email Hagen.Lindsey25@yahoo.com

“ Steve was the love of my life. We shared something very special in our life together. He shared his beautiful children and his family with me, which I will forever cherish. His laugh and sense of humor got us through some hard times together. Steve liked things his way but his heart was huge! He loved being at the cabin with my family and his kids. We shared many special times together. I won't ever stop loving or missing him. He left a legacy in his wonderful children. Georgia.

“ Steve was my brother...he was a man of many talents. He loved the Fourth of July and fireworks- we spent many of them blowing up firecrackers. I have many memories- that I will cherish. He helped me to grow and understand the trials and tribulations of life. 16 years of age separated us as Brothers...He blessed me and help me to become the man that I am today...in his own unique and special way. We supported each other in times of great need...and we were true brothers. Steve- I had aspirations to make movies...and my plan was always to make two unique films- “Blood under the Cypress” and “Moxy-Doxy Death” and when they were successful- we could rent them and watch them together. In that success- I would have finished the GTO..for you as a gift. “All is Forgiven” my dear brother.....I love you. Brad
